Ethics are an unwritten code of conduct that encompass both professional conduct and judgment. Though the details of the written ethical code may vary from profession to profession, the underlying principles of ethics remain the same. As David T. Ozar and David J. Sokol suggest in *Dental Ethics at Chairside: Professional*

So are his chairside assistants, Amanda and Olivia, who wonderfully and professionally took great care of me. Plus, they put up with my "bs" chatter/stories. Great dental office, an all super Staff, clean and tidy facility, with up to date modern equipment, and always a complete pleasure during my appointments. I highly recommend Zoe Dental.
